"PITCH-BLACK WEB-CRAWLING"
THE ABILITY TO RUN ABOUT FREELY IN PITCH BLACKNESS IS ONE OF THE REQUIRED ABILITIES IN NINJUTSU, AND TO PRACTICE THAT IN A VERY EFFECTIVE WAY IS THE PURPOSE OF THIS PITCH BLACK WEB-CRAWLING. THIS TRAINING METHOD WAS INTRODUCED DURING THE ONIWARA SHOGUNATE UNDER CHIEF AMA GOKUMONJOSHI AND WAS PRACTICED BY MANY TO PROTECT THE EDOJOU'S LAW AND ORDER. ON THE OTHER HAND, IN THE MODERN ERA IT IS USED AS A TOOL TO PROMOTE A QUIET SLEEP. HENCE IT WAS GIVEN THE NAME OF **AMAGURU**. THERE'S NO NEED TO TELL THE ORIGIN OF THE INVENTOR, AND THE INVENTION ITSELF.

Regarding the Signal for Tournament-End

Amongst the pair who made it to the grounds, one member of the pair shall shout a Nichiren Prayer, then the teachers on the campus grounds will confirm it and that will be the signal for the tournament-over

Theme:

Your aspirations while enrolled at Tenjin Academy

P.S. There's a rumor the aspiration you shouted here will come true
